STRAVINSKY HISTOIRE DU SOLDAT - AUTHORISED NEW EDITION 1987 ST SC (English, French And German Edition)

Synopsis

(Music Sales America). In this authoritative new edition of Stravinsky's dramatic masterpiece, *Histoire du Soldat*, the publishers have sought to rationalise all the various, and sometimes conflicting, amendments made by the composer during his life time. This edition is for all who have an interest in the great musical masterpieces of the twentieth century. To be read, played and danced in two parts. Scored for clarinet, bassoon, Cornet, trombone, violin, double bass and percussion.

Why Only 3 Stars: Page size is too small, even for Stravinsky's small ensemble. Poor printing- top of a page dark, the bottom light etc. Ugly, slippery paper (making page turns difficult) Important editorial corrections to percussion parts are illegibly printed sideways two pages on one at the end of the score. The editors chose a casual hand for the score. As a one time copyist I would complain that this relaxed hand reduces legibility.

Great edition with beautiful engraving. Full libretto in the original French, plus English and German. The editors took pains to reconcile discrepancies between all the previous editions. Good footnotes to explain their decisions. Editors also spent a lot of time cleaning up the percussion part. Might not fold out well enough to use when conducting, but should definitely be in everyone's library. It's the best edition of the score I've seen.

Documented, practical. Reference, pages need to be blown up for use as a working copy, but it's more complete than any prepared working copy you'll find.

As a violiniist leading performances of L'Histoire, this account of the full score with Stravinsky's ORIGINAL PERCUSSIONPART reproduction, and the complete text is given in the music, with rhythms when required, in french, english, and german! A wonderful score

A little too small. I have found it impossible to find a full score in a large format of this piece

This score is easily readable, clearly laid out and will be the score that I will use to conduct our upcoming performances.

i think it is very good , so good . arrive on time. value for this price. This is the first "larger product" in our kitchen collection. Thus far (one week), it is sharp, performs well for chopping and slicing, and has excellent balance and weight. Time will tell how it retains its edge and resharpens.

This is an acceptable edition of this masterpiece. However the size of the score makes a bit difficult to conduct from it. The text is in German, English, and French. There is a revised percussion part at the end of the score, but unfortunately it is very difficult to read it.
