No kids or anything- just a huge Grumpy Cat/Tartar Sauce fan. For those with kids learning ABCs, it's cute and throws in more than just the main word/picture with each letter to incorporate more of the letter's sound with words/association. They do shorten the book at the end's XYZ into one page for some reason, which wouldn't be so helpful for real learning. Personally, I hope they keep making them!

I love grumpy cat. Who doesn't? I actually purchased this for my 4 year old son. He can't put it down. Now he insists that we both read it every night before he goes to bed. He sounds out the letters and matches them to the pictures shown in the book. Of course, he thinks all the pages say "I don't care." "Leave me alone." Or "Go away." hahaha. It's so cute to watch him get excited about it. Now he loves grumpy cat too!

I have been waiting excitedly for Steph's new book, and I am not disappointed! The artwork is fabulous as usual, and my son LOVES reading it! Super stuff!

My reluctant learner loves this. It appeals to the grouchy side of him and he likes the side comments from the cat.

(semi-spoiler alert) Loved the book, but was disappointed that it didn't finish the alphabet. Grumpy gives up! :-)

If you love Grumpy Cat...you love this book! Bought for daughter (40+) who is a total fan.

I am not a huge Grumpy Cat fan, but this book surprised me. It is very cute, funny, and engaging. My only complaint is that the format doesn't work very well when reading aloud. Hard to distinguish between the two voices the author uses when a single person is reading, and I feel the true humor is lost on the children

Just a quick review of this Little Golden Book, A Is for Awful: A Grumpy Cat ABC Book. Most I have ever seen of Grumpy Cat is memes online so I was very surprised to find these when searching for little golden books. I had to get it just to see. My daughter is amassing a very large collection of Little Golden Books and I thought this would be great to add to the collection. Such a winner! The pictures are so cute and the reading is light but interesting and a great before bed read. I love how they have stuff to say about each letter, and the cat has so much spunk! My 4 year old thought it was great and laughed saying "Grumpy Cat just doesn't like anything." Glad we added this to our collection!~Thanx~
