Customer Reviews

"I couldn't put it down once I started reading. In fact, I read it twice. It's beautifully written and extremely interesting. It is unique because of the ethics component."--Sharon Kobritz, Husson College "There really isn't anything out there like this. It combines the practical with the critical in a way that I don't remember seeing very often. The authors pull together a lot of important critical and sociological literature that most basic textbooks ignore (at their peril)."--John Jenks, Dominican University

Jennie Dear is a former English professor who is now a freelance writer. Faron Scott is Professor of English and Communications at Fort Lewis College.
