Claiming His Prize: Forceful Men Prey Fantasy (Dubious Book 1)

Synopsis

Anya was ready for an alpha stud. The kind her friends talked about. The kind that intimidated the hell out of her. That's exactly what tonight was all about. Tonight the studs would be pursuing her...quite literally. The line-up of men strip down for the chase. Pursued by hot and ready men, Anya has a choice to make. Fight them off and win the prize, or give in and become the prize?The exclusive Club Dionysus is having a field trip to local obstacle course, and last woman standing wins. Thing is, only one woman ever finishes. The rest are caught...and enjoyed.Club Dionysus is not for the casually kinky. It's for those who like their sex to come with rough edges. There's a reason you need to sign a waiver to get in the door. A tale of force and dubious by nature. Just how the club likes it.An excerpt from Chase the Girls:~“Like what you see?”~ He yelled after her. ~“We can do it rough. Don’t you slow down.”~Slowing down wasn’t an option. Her nerves jittered and regulating her breathing was becoming difficult. No amount of caffeine overdose had ever put her body into this state. For the first time since the race began, her arousal mixed with the threat of tears stinging her eyes. She was genuinely scared. And yet, her sex ached for release. Her arousal was clouding her mind. She wanted his rough hands holding her to the ground, but she wanted to get the hell out of there. She and the red head were in front of only one more woman. Bull Six had just hit the monkey bars and she was already struggling, flailing her legs to swing herself forward. Surely, she would slow the men down. Anya’s shoulders were burning, and she could hear the grunts and growls of the runner~her runner~ behind her. The fear fueled her adrenaline and spurred her forward. Her legs swung with her movements, and she became aware of her swollen clit. Why the hell was she aroused? She was wet, and it wasn’t from the mud. She cursed, goading herself onward. She was not going to be caught. This wasn’t a game anymore.Warning: This is a short story whose sole intent is to titillate. Enjoy.

Customer Reviews

The numbering of the competitors was hard to keep track of. The set-up, of the women being lesbians, also didn't make sense in the context of the rest of the plot. There is more intensity than actual steamy contact.

I thought it a nice short read. The ideal of the whole hunt and chase game is what capture my attention the most

This story had me on the edge of my seat. I felt like I was the one running the course and being chased. So exciting and has me really turned on.
