25 Bicycle Tours In Savannah And The Carolina Low Country: From Hilton Head To The Okefenokee, Second Edition

Synopsis

From the ocean to the giant oaks and mansions of Savannah, the Kahns guide cyclists of all ages and abilities to one of the best cycling venues in the country. Giant oaks draped with Spanish moss, wrought-iron-clad mansions, lush plantations, vistas of marsh and ocean, and miles and miles of flat, well-kept roadway all combine to make the coastal lowlands of Georgia and South Carolina one of the best bicycle-touring spots in the nation. Jane and Buddy Kahn guide cyclists through the region's most rewarding land- and cityscapes. Visit Savannah's graceful squares; the mysterious Okefenokee Swamp; the sunny Golden Isles of Georgia; and the Carolina Low Country, rich with history and warm with hospitality. For this new second edition the Kahns have added one bonus tour, for a total of 26. Tours range in length from 6 to 60 miles, offering something for cyclists of all abilities. Each tour includes a detailed map, mile-by-mile directions, and information on natural and historic points of interest you'll see along the way. 3 new tours in this edition. 25 black and white photographs 26 maps. The first edition of this book was titled 25 Bicycle Tours in Coastal Georgia and the Carolina Low Country.

Customer Reviews

Since the publication of the first edition of this guide, Jane and Buddy Kahn have served on the Chatham-Savannah Metropolitan Planning Commission's Bicycle-Greenway committee. Buddy has served on the Georgia Department of Transportation Bikeway Committee, and Jane has been on the Chatham Urban Transportation Study Committee. Jane has written articles for Adventure

Cyclist, Savannah, and TravelHost Savannah magazines. The Kahns live in Savannah and are well-known activists in the cycling community of coastal Georgia.

Thanks to the guide, we went to the best entrance to the Okefenokee, and had a great time. Some of the reviews are a bit optimistic about the quality of the bicycle paths and traffic conditions, but in general I found it a very readable, friendly guide to the area. We were visiting on St. Simons Island for a week and used that as our base of operations. The guide provided some great ideas for out of the way, picturesque routes, with fewer miscues and oversights than I'm used to with this kind of guide. Some more subtle and out-of-the-way routes in Savanna would be nice - I'm sure they're there. Overall, it was definitely worth the price and added value to our bicycling vacation.

Nice book with good rides for those of us who are between casual sight see-ers and hard-core cyclists. The details about the rides were also nicely peppered with anecdotes that helped me form a picture of each ride.
