I love this quick and easy way to study. The cards include hundreds of detailed questions. There are also many excellent test taking strategies included. The cards come in a nice neat case with an added sorting ring so I can bring them anywhere I go. A "Must Purchase" for anyone taking the police officers exam!

Very helpful!

Flash cards were great, really came in handy. They were detailed and very informative would recommend them to anyone whose taking the police officers exam.

A Æmust purchase Æ• if you Æ™re taking a Police Officer exam. When I saw who authored this product I wasn't at all surprised by it's superior quality. I was able to fit studying into my free time regardless where I was due to the innovative flash card sorting ring. It allows you to bring specific cards with you rather than lugging the entire collection along. Along with a slew of practice questions, the authors provide detailed test taking strategies for each question type. At this price point you would be putting yourself at a huge disadvantage by not making this part of your study material. Schroeder and Lombardo are my go to authors for my test taking materials. Their innovative methods make preparing for exams hassle free while maintaining a high level of effectiveness. Keep up the great work !
