Cruise Excursions On Your Own - European Cruise: Ports Of Barcelona, Naples, Rome, And Florence

Synopsis

Take this handbook with you as you embark on your cruise of the Mediterranean ports of Barcelona, Spain; and Naples, Rome and Florence, Italy. Use this guide to enjoy your cruise without paying ridiculous prices for cruise ship excursions which can add hundreds of dollars to your vacation. This travel guide will provide you with detailed step-by-step instructions on how to make the most of your 8 to 10 hours in each port you will be visiting on your chosen cruise. The guide is meant to (1) save you money; and (2) to help you see all of the amazing sights that a port city has to offer.

Customer Reviews

This book is great! It's a step to step guide to get around the ports but it's limited in the ports it covers. I bought it and used it in the one's that were there but Rick Steves' guide also to get around the other ports. The download was a little funky and there are spots where the pages repeat and get out of order. Just weird! The information is great tough and if those are the only posrts you are stopping at it's well worth it.

We have used this twice ... Great tips !!

Glad it was a free loan from prime. Rick Steve says the same
