Very well researched and written. In-depth treatment of each of the Triple Crown winners. Has lots of great photos (which is typical of books about the Triple Crown), but also contains serious research and narrative.

This was a well-researched book, and anyone who is truly fond of the horse racing world should find it more than enjoyable.

Husband was a professional jockey. Ordered this for him. He really liked the gift.

Purchased as a gift for my mother. She loves the horse races! She really liked the book and keeps it out for others to see. It's a nice coffee table decoration.

Great book. I would have liked to see more detail for Seattle Slew, Affirmed, and American Pharoah.

An absolutely wonderful book that features each of the Triple Crown winners including American Pharoah. A true collectors item, based on the fact that such a winner doesn't happen easily.

GREAT! FOR HORSE RACING FANS...PERFECT BOOK!

Bought as a gift , and she loved it . Thank you .
