Hoof Care For Horses: (Storey's Country Wisdom Bulletin A-277) (Storey Country Wisdom Bulletin)

Synopsis

Expert Hoof Care Advice at Your Fingertips No foot, no horse. It's an old saying, but it rings as true today as it ever did in humankind's history of horsemanship. What can you do to ensure your horse's hooves are sound? Follow the advice of those who know horses' hooves best: farriers. In *Hoof Care for Horses*, long-time farrier Henry Heymering outlines the best preventative maintenance for hooves, giving practical tips on achieving dry footing, good ventilation in stalls, proper diet, and adequate exercise. You'll learn about the best supplements for hoof health -- and when is the right time to give them to your horse -- as well as how to recognize and treat common shoe and hoof wall problems, sole and frog conditions, and internal hoof diseases. You'll even discover the best way to pick up and clean a horse's hoof, as well as how to properly hold a horse for a farrier. Offering tricks of the trade, expert advice, and simple step-by-step techniques, Heymering makes it easy for owners to practice good hoof care on a daily basis.

Customer Reviews

Henry Heymering, C.J.F., R.M.F., is the president of the Guild of Professional Farriers. He lives in Maryland.

i needed a little guide to help me with "hoof care for dummies" type questions. this booklet was just what I need

Glad I purchased this book. It gives me useful and helpful info on caring for my horses hooves. The writer uses terms I understand! Definitely a must-have if you own horses.

Henry says what he has to in clear language that ordinary horse owners can follow and benefit from.

Just basic, not very informative
