Item arrived on time and as described...thank you!

Great stories, some funny, some not. Accurate accounts from what I recall.

This was very sad stories about Vietnam. Most never made any sense at all. Very boring. I gave it about one third the way through this book. Sorry I ever started it.

Not much to most of the excerpts. One or two were interesting but most had this "I did this then this then something else"

Many true stories from real battle field! Written by soldiers who had experience with life depended. I highly recommend this book. The writers were soldiers concerned Vietnam war including army, marine, pilot and nurse etc.

real life personal narrative

Kept me busy. ? Interesting stories throughout the book. Nice for short periods of reading time. Gets down to the nitty gritty.

Not so hot. Expected everything. Good writing though.
