Customer Reviews

It is a very nice bible. The words were smaller than I expected so I gave it away to someone with younger eyes. They are greatly enjoying it. As for me, looking for larger print.

Really nice Bible. However the words are small, okay for my daughter but for me I would need to wear my readers to see it. Great price, works great for what we needed it for :-)

As others have noted, the print is very small, but the binding is very nice. If they would make this with larger type, it would definitely be a 5 star item.

Lovely Bible. Would prefer larger print, but this is a very nice quality.

A gift for my daughter. very nice bible and good quality

this is a very cute nice bible for a girl

Very good quality! I would definitely re-order it again. I had bought it for myself and I can't get over it. The cover is a smooth leather very very good, love it!!

Very small print. I didn't even consider that when ordering it. My daughter has the same Bible but with larger print and it's much nicer.
