I am reading this book now and enjoy it very much. I can hear Mr. Graham's voice in my head when I read it and I am still amazed at how is able to make the Bible and it's message so simple and direct and meaningfull. I loaned this book to a friend before I got to read it and she finished it in a few days rather than use it as a devotional. I really like this book. I recomend it to everyone espically if you need a direct but simple and short reading each day.jean Clark

I keep this little booklet on the kitchen table where we eat breakfast. As soon as I assemble my breakfast and before I do anything else, I open this book and read that day's devotional. The readings are usually just a paragraph or two, but they are so uplifting! It gets my mind in a good place to start the day and helps me feel good about starting the day! I love the way Rev. Graham interweaves personal stories with scripture. This is a wonderful book for everyone - even those new to the faith! In fact, I plan on giving a few copies of this book to those who aren't in the faith yet. I feel that everyone needs a lift in the morning and, who knows, maybe it'll open a few hearts and minds to our Father.

I wonder if Billy Graham actually wrote this or had someone on his staff pen some of these devotionals. We were disappointed and found the quality of what was shared to be legalistic and uninspiring.

Easier to read large print. Delivery good

My aunt loves this.

This book is good for anyones life. When you are down and depressed it will help you. Everyone should read it! I bought this book at , I also bought Josua9 a great book0, Parables of Josua, Josua and the Children. I haven't made it to read all of the books, but any book about Josua is great

Bought this for my husband and he loves it!

I felt like we were enjoying personal conversations. It's a brief and well written daily message. You learn his thinking on many issues. Sue Kirchhoff
