Exclaim Entertainment specializes in the creation, production, and distribution of character-based children's properties. The company's mission - to produce high quality entertainment for Christian families - is fulfilled in the launch of BOZ. Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. 'But the most important part,' she says, 'is to teach children that God loves them and cares about them very much.'

Great Book! Teaches kids ABC's in a fun way. Good wholesome story book. My kids love it! Good for age 5 and below.

Appreciate the pricing and the delivery speed and the description matched the actual book.

We love Boz and have all of the DVDs, but the book was only so-so. The pictures are great, but the text is not easy to read.
