Fearless Critic New Haven Restaurant Guide

Synopsis

Fearless Critic restaurant guides offer brutally honest reviews from undercover chefs and food nerds dining incognito and are totally supported by user funding rather than paid advertisements. The Fearless Critic is utterly unique in its candor, its rigor, its irreverent lack of deference to the sacred cows, and its devotion to finding a city's best food, wherever it may lie. Each review is a full-page long and includes a food rating out of 10, a feel rating out of 10, and a practical information about the restaurant. The handy reference section lists all restaurants by cuisine, neighborhood, and a special features and offers a specific guide for vegetarians. More than just an entertaining reads, these are essential references for anyone who eats out. Now back in its third edition, the Fearless Critic is revised and updated, with reviews and ratings of places to eat in the New Haven area, including more coverage of the suburbs than ever before.

Customer Reviews

Robin Goldstein is an author and a travel writer. He is the coauthor of The Beer Trials and The Wine Trials. He is a contributor to the New York Times' Freakonomics blog and has written for more than 30 Fodor's travel guides. He has a certificate in cooking from the French Culinary Institute in New York City and a Wine and Spirit Education Trust certificate for advanced wine and spirits study. He lives in Oakland, California.

This compendium of reviews is thoughtful, honest, highly readable, well-edited, and astonishingly

accurate. While flippant in treatment of lesser establishments (but never mean spirited), it shines when it comes to better restaurants - bestowing praise as much as encouragement to keep raising already high standards, even higher. My girlfriend and I love this book, and I can't think of a resident, or transient Yalie, that wouldn't find this to be an invaluable and frequently loaned possession. (There's also an online, subscription version, that we haven't checked out). So, definitely a tip of the hat here, and as a former Oregonian, I'm pleased to see the Fearless Critics have descended on Portland as well. My one wag of the finger: we need a 4th edition! The landscape of carts at the med school have already shifted, and, I'm hungry for new reviews (especially of Formosa, and Shanghai Bistro on Boston Post Rd.)
