# Saints' Everlasting Rest

## Synopsis

Baxter (1615-1691) was one of the most famous Puritan pastors. He along with 2,000 other ministers were denied state recognition of their status on Black Bartholomew's Day in 1662. He became fugitive number one in the eyes of the state, but being protected by a host of friends, Baxter remained free to preach all over England for 24 years. In Christian literature, he is noted most for his practical Christianity, of which this book is an excellent example. His works totaled 72 volumes, literally millions of words.

## Customer Reviews

I now have my Great Grandfather's Book, published in 1835. There are 16 chapters. The book measures 3 x 5 inches, an inch thick. The print is very small, letters being 2 milometers tall, give another milometer for the extended letters. There are 256 pages. This book I purchased has ONLY seven chapters. So, this book is a good beginning, but I will search for a complete book to hold, and easily read.

This book (and preacher) is outstanding! The fact that it has been in print for over 350 years gives one a clue! I would highly recommend it to anyone seeking a clear picture of Heaven and Hell!

This is a deep read so take your time. I wish the whole body of Christ would read this and live it. Gives scary take on the unsaved. I never think about that much but Baxter changed that. You won't regret reading this.

This is the best paperback copy of this book that I have seen; O that it was a hardcover!

If you've never really sat and contemplated eternity: open this book, buckle your seatbelt, and get ready for a ride.

I was happy to find that this is a modern reset edition of the 1750s abridged book. My learned friend said about this, "Your reading of Baxter's Saints Everlasting Rest will repay the effort a thousand times."

Highly Recommend

Pure Gold! This book will help you to prepare for heaven. The style is typical of the puritans. It takes little effort to read and enjoy! May God be pleased to use this book to advance His kingdom in a world of darkness.
