Customer Reviews

I liked this book. It was written by an experienced Hedgehog owner and breeder. It covered much information in clear terms. Some of the areas covered were the ancestry of hedgehogs and their coloring and common sense ways to keep your hedgehog happy and healthy.

written well. A lot of interesting facts. It will help us raise Hiedi healthy, and Happy. Good price.

Very informative.

great information

Great for new Hedgehog owners!

Everything was perfect!!

Very limited information no pictures I would not recommend this book. Basic unhelpful very limited secular lame the worsted crap

Have read this 3 times over and shared with friends. It really is a great book for someone who is considering getting a hedgehog. Has a lot of info on what to expect and things you need to consider.
