These are great books for kids to read. Or to read to them.

My grandsons truly love the series of Bad Kitty books. I have ordered several. The pictures are great and very helpful when the boys "read" the books to me. I will be ordering more.

Funny and my grandson enjoys these books. I have several and he loves reading them.

Funny Book ... We Love It, Thank You!

my kid has never even SEEN snow and she loves this book. she's in kindergarten so she's learning her sight words, and this book has plenty, she has even figured out how to read most of the pages herself. it's also very funny for adults (crucial for tired parents who may be asked to read certain books like, 5 times, over and over, every night). i love this series.

the kids and adults love Bad Kitty

OK, I do not love it , but my 6 year old grand daughter loves to read the book to PaPa. It is a little too easy for her but she just enjoys the series. Like any good grand dad, I got her five books in the series for Christmas.

We have other Bad Kitty books and loved them. This one was much shorter and simpler, clearly intended for a younger child. Instead of adding it to our Christmas collection, I am passing it along.
