Customer Reviews

We recently returned from Spain. Should have had this book before. It seems to be complete and concise. Well laid out.

If you want a treatise on the Alhambra, this is the book for you. VERY detailed and tons of information. It seems to be produced on archival paper, because even though it is a paperback, it weighs a ton! I was looking for a tourist guide to the Alhambra. If that is what you need, do not get this book. If you want a book that gives you an in-depth view of the Alhambra and you enjoy reading something that seems a bit like a text book, then this fills the bill.
