# 20th Century Dress In The United States

## Synopsis

The 20th Century was a fast-paced race into modernization-but how did it affect what we wear? From revolutionary politics to the new machine age, from war and depression to growth and prosperity, 20th-Century Dress in the United States shows how fashion goes hand-in-hand with history. The authors examine American dress from 1898 to 2004 and find innovation at every turn. Diversity and complexity are key: far from the fashion stereotypes embodied by popular ideas of "the Twenties" or "the Sixties"-periods noted for their youthful upheaval and influence-we see how every era has its conformists and rebels, from the Arrow Collar Man and the Gibson Girl to flappers, bell-bottom-clad hippies, and Jackie Kennedy. Each chapter explores the social, cultural, economic, artistic, and technological themes that shape fashion in both festive and everyday clothing. Changes in retailing and manufacturing are also examined, from the sweatshops of yesterday to the Internet shopping of today. From high fashion to low, glitz to grunge, this vivid and comprehensive book explains what we wear on our backs-and why.

## Book Information

Paperback: 320 pages

Publisher: Fairchild Books; First Edition ~1st Printing edition (April 9, 2007)

Language: English

ISBN-10: 1563674157

ISBN-13: 978-1563674150

Product Dimensions: 8.7 x 0.7 x 0.4 inches

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

## Customer Reviews

Jane Farrell-Beck and Jean Parsons teach at Iowa State University. Sar Perlman is a veteran writer and journalist and partner at Sherman, Perlman, & Associates.

Great condition!

This is an excellent history of dress in the 20th century, and the events that helped to shape changes in dress. The authors cover the dress of working-class women; children; and men; in addition to designers and designer fashion. Each chapter begins with an overview of the history of the decade. Political, economic, and cultural events help create a context for the changes in dress.
