Kaplan does a great job of explaining the meanings in this text. Luminaries like him are rare. I first read his book on the Sefer Yetzirah and it had a profound impact on me. Since then, I have purchased the Bahir and some of Kaplan's other works.

The BahirÂ I Love it!

An eye opener in Kabbalistic wisdom. Designed very well into sections that separate translations from commentaries

The book was in excellent conditions, and this Aryeh Kaplan version is perfect. It includes the Original in Hebrew, the English translation and Aryeh Kaplan's commentary. This book is the father of the Zohar and Jewish mysticism.

Yet another required reading for researchers into the mysteries. This is one of the fundamental books cabal is based on. highly recommended.

I will cherish this book for years,I look forward to going over it again.Very well put together and I formative.
