Kilt Trip: Part 4: (A Scottish Highlander Historical Romance)

Synopsis

A SERIAL HIGHLANDER ROMANCE the parts of which should be read in order. Bridget has just discovered the cut on her neck is more serious than she thought. Rory is about to realize... Well, you'll see. DISCLAIMER: In the tradition of Charles Dickens' The Pickwick Papers, The Three Musketeers, and The Count of Monte Cristo, KILT TRIP is a serial Scottish Highlander romance released in parts of approximately 50 pages each, most of which will end in cliff hangers. If you're not a fan of this format and don't like to be tortured, spare yourself. Turn back now. Scotland, 1704
It's all about that kilt! Acting on a dare, three English brides-to-be sneak into Scotland for a scavenger hunt, their last adventure before marriage. Mallory wants a piece of pirate's treasure, and Vivianne yearns for a love letter from a poet. But Bridget has more on her mind than the game. She knows life with her evil, blackmailing fiancé will be hellish, so she's determined to make him suffer too—by stealing a Highlander's kilt and leaving him to wonder how she acquired it. The Scots charged with finding and protecting them along the way are entirely wrong--and perfect--for the job. Rory, for instance, is a kilt-clad Highlander, but he'd die alone in a cave rather than get within ten feet of another Englishwoman. Unfortunately for him, the duty to pay his grandfather's debt will get him—and his two friends—much, much closer to the lasses than that. Come along for the ride.

Customer Reviews

Too short. How many more parts at \$0.99 per part. This book will be a bit too much. I love her work but I am getting tired of 50 pages at a time read and dragging it out at .99 per 50 pages. What's up with that and how many more parts at this rate

I don't like serialized novels, but this one is really good. It is very clean tough. No steamy love scenes though. I miss that. This has made me laugh outloud. I have to wait now for the next one, which I truly dislike, but this story leaves you wanting to finish the story. I really would like the author to say when the next parts will be available. She needs to hurry up with them.

Excellent book a must read and with each word that is read you really are hooked, what an excellent writer! I never want to miss a book in every series and I highly recommend this book and all books by this author! Fantastic book, you will not want to put it down, I know I didn't and I wanted more and I feel that you will also! Great, Great, Book!
