Customer Reviews

Great Kindle Read!!!

There are no step by step pictures that a beginner would probably need to know what knot or pattern he is talking about. No tutorial on how to make bracelet that's on the front of this book or other pictures of any use. I want my money back.

WTF. Three pictures in the whole book. Not a one at all helpful. Don't buy, waste of money.

no tutorial pictures. just written instructions. worthless. wish i read the reviews. definitely returning.
