Great Sale and fast ShipperJohn 3:16-17 (KJV)For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. Pray to be forgiven of your sins today.

Love these DK books for my classroom (5th and 6th grade gifted, math and science). They are high interest and a perfect difficulty for high ability 5th and 6th graders. ALL Eyewitness DK books are 1 AR point, and most are within the 6-9 grade level range, but a few are a touch above. I bought all these DK books used on and they have survived a few years already in my classroom library with moderately heavy use and not the greatest care from the students. I cannot recommend DK books more, as a teacher and a parent.

This was just what I needed. It gave me enough info to make it sound like I knew what I was talking about in a book I'm writing. Thanks to the professional jousting in England who recommended it.

Sorry, I like giving good reviews, but I just was not too impressed with this book. It didn't have the wonderful illustrations and colors I hoped for. It displayed the same two characters over and over throughout the book and wasn't very pleasing to the eyes. But, it did surprise us with a nice poster and disc included.

Who doesn't love Knights? This book is both informative and fun to read, chock full of illustrations and photographs. A picture is worth a thousand words. Need I say more?

Great book for the classroom where my daughter teaches, but has images and information useful for adults interested in learning more about medieval knights!

All of the DK Eyewitness Books I have ever seen are just wonderful. This really met a need for a clever little boy fascinated by Knights and Castles.

This is NOT just a book! I misunderstood and thought it seemed rather expensive for a book, but it's a whole boxed set, including the book, punch out cards to make a mini-castle....and lots more! I sent it with my son to his baby sitter, and she asked him to bring it back the next day, because SHE wasn't done looking at it!! GREAT, GREAT, GREAT!!!!
