# Frommer's EasyGuide To Los Angeles And San Diego (Easy Guides)

## **Synopsis**

Los Angeles and San Diego, the two major cities of southern California, are radically different from most others in America, and thus fascinating to visit. Los Angeles harbors Hollywood, and all its associated film-making studios and sites, as well as giant museums, countless nightspots with live entertainment, symphonic halls and theaters, numerous ethnic communities, and adjoining beach towns and ocean ports. San Diego, on the border with Mexico, with one of the best climates in America, is a giant metropolis (1,300,000 residents in the city itself, 3 million in the city and suburbs) but with many features of a resort: dozens of top beaches and parks, famed ethnic restaurants, Sea World and a spectacular Zoo, all attracting tens of millions of visitors each year. Our authors, Christine Delsol and Maribeth Mellin, both Californians, have filled our Easy Guide with their most cherished preferences in lodgings, meals, attractions and shopping, carefully balanced to offer either luxury or thrift.

This book was a big help in learning about LA. I made notes, etc so we would

remember where we wanted to go. The book was very informative and I would recommend it to anyone going to LA for the first time!

Good summary and selection of things to do and places to eat at. Could have used a little more information.

Made it easy to get around and enjoy big, sprawling LA and all the great neighborhoods and outer cities that we wanted to see

Great recommendations and reviews. Carried it our entire trip for reference.

A

super clear
