Customer Reviews

It was so cool! I think there should be another book where Aiden saves the galaxy with pee. I liked

the picture at the end where Lance and Daisy are farting. I liked all the creative words the author used for farting. I hope the author writes more appropriate bathroom word books with Aiden and Lance and the evil genius and Daisy.

YesCoolLove itYay to whoever made thisI would read every day but little Short for my age

My 11 year old son loved this book!

This is very cute (and gross) and now that IÃ¢ÂÂve reviewed it, I canÃ¢ÂÂt wait to hand it over to my nephew! The language is near perfect for the demographic, and should have most young readers (especially boys) laughing out loud. It also includes some very nicely drawn illustrations.

Wonderfully funny. A hit with the boys

Fun reading and we can't wait until the next adventure. Good children's book!

Too long for nite time story. Vocabulary funny & entertaining. My 7 yo love bed it!!

A hilarious book to read with your kids. It made me laugh hysterically, so much that I couldn't continue until the laughter subsided (~5 seconds). And it has a stranger danger lesson snuck inside. The only complaint is the lack of a comma separating two independent clauses. Sorry, but I'm on a comma crusade.
