Explorer's Guide Yellowstone & Grand Teton National Parks And Jackson Hole: A Great Destination (Third Edition) (Explorer's Great Destinations)

Synopsis

Wondrous scenery, incomparable wildlife viewing, and much more await you at these magnificent parks. This last great intact temperate eco-system in North America is a place of incomparable grandeur, wonder, and rugged beauty. Explorer's Guide Yellowstone & Grand Teton National Parks and Jackson Hole, A Great Destination goes far beyond the usual compilation of information to give you such an intimate and comprehensive view you'll want to return again and again to experience everything. All lodging and dining options inside the parks are included; outside the parks, only the top choices are listed; icons indicating the author's favorites help you find the best of the best. Alternatives like guest ranches, cabins, and campgrounds are detailed as well. 100+ color photographs throughout.

Sherry L. Moore, an educator and writer for over three decades, has coauthored several guides to the western states. She lives on the Gallatin River outside Bozeman, Montana. Jeff Welsch has written books and articles on topics from sports to Native American issues to history and politics. He is also a senior editor for Montana Quarterly and lives on the Gallatin River outside Bozeman, Montana.

This guide was invaluable. Took it to Yellowstone and everyone on the trip used it as a guide. Two other people sent the buying link to friends. Very thorough and full of facts. The format is very

friendly. I like guides that give realistic information and are not just ads for restaurants and lodging.

Was not disappointed by this book. Had good recommendations for campsites! Whatever we did, was most likely mentioned in this book. Didn't crack the cover until we started our 20 hour journey to Wyoming. It served us well!

This book has detailed information on the history as well as the geography of the parks. The pictures are beautiful, and visitor information is easy to follow.

This good included everything we needed to know for our family vacation to Yellowstone. It was filled with great spots to visit and photos. I highly recommend this book for anyone planning on visiting the area!

A must-read for planning a trip to the Yellowstone area. It is comprehensive. I call it my Yellowstone Bible. Highly recommend!

This is a very detailed guide and should be useful for anyone planning to visit either of these nation parks. What I thought it lacked was itinerary suggestions for one day, two day or multiday visits to the parks.

Very informative

It provides pointers to interesting things in all categories. It doesn't always provide driving directions, but that's easy to supplement.
