I saw this book at an import store (for a lot more money) and was captivated with it's beautiful photography. I love the exotic locations and the people. Absolutely lovely to look at, just viewing the photos puts me in a good, relaxing mood. I only wish I could go visit those places.

Good book to read before start spa business.

Love the book. It was a bit smelly. Like a really old musty book. for the price of an old book, I really overpaid!!

What I liked best about this book are the recipes so you can do these spa treatments at home. There are gorgeous photos of exotic places as well.

a very nice book, too bad it had three pages with bad tares, I wish it didn't aside of that is a wonderful book.
