The Post-Structuralist Vulva Coloring Book

Synopsis

The Post-Structuralist Vulva Coloring Book demystifies gender and pleasantly confuses your assumptions as you are drawn into its mesmerizing bricolage of patterns, folds, and whorls. Color away the false binaries between male and female, words and text, inside and outside, art and nature. As you meditate on the sameness and difference of the vulvas on each page, you will grow to question your interpellation into dominant systems of knowledge. By overwhelming the senses with vulvas, you will interrogate the meaning and very existence of this social construct we call the 'vulva' and the instructions for living that come with it. Quotations from post-structuralist philosophers, from Foucault to Derrida, Lyotard to Kristeva, accompany the art, and can be colored and even edited into new constructs and timely critiques of the patriarchy. No longer must vulvas be either crudely objectified or shrouded in mystery! All hail the vulva! The vulva hails you!

Book Information

Paperback: 128 pages

Publisher: Microcosm Publishing; Clr Csm edition (November 15, 2016)

Language: English

ISBN-10: 1621061388

ISBN-13: 978-1621061380

Product Dimensions: 7.8 x 0.5 x 9.9 inches

Customer Reviews

'I would really like to have slipped imperceptibly into this lecture...I would have preferred to be enveloped in words, borne away beyond all possible beginnings. At the moment of speaking, I would like to have perceived a nameless voice, long preceding me, leaving me merely to enmesh myself in it, taking up its cadence, and to lodge myself, when no one was looking, in its interstices as if it had paused an instant, in suspense, to beckon to me. There would have been no beginnings: instead, speech would proceed from me, while I stood in its path; a slender gap; the point of its possible disappearance.' • Michel Foucault, from the book

Elly Blue survived an intensive education in the liberal arts and humanities and lives in Portland, OR where she writes about feminism and bicycling. Meggyn Pomerleau is a designer living in Portland. She enjoys cycling, burritos, and her dog.

Magic. Better than you can begin to imagine. Foucault quotes galore!

I shared this coloring book with friends/colleagues and they loved it! Pages are perforated, so they can easily be torn off!

Excellent book

I swear that I have never loved anything more. After coloring a few pages, I hopped on and bought one for my best gal.

Love this and learning lots. Now I've gotta buy them for all my friends.

Somehow simultaneously pretentious and simplistic. Find a copy of Tee Corinne's coloring book instead -- you'll have a piece of history, and a better book to boot.
