good

This book was a nice fit for a three-year self-taught oboe player who was starting to take lessons for the first time..

Book itself is fine. The only problem I'm having is that my son needs it to perform for NYSSMA and

his instructor said there should have been a pull out section that has a 2nd copy of the music. This is because they need 2 original pieces of the sheet music for the song he has to perform. One for him and one for the NYSSMA judge. This book did not have a pull out section and I only just found out I need another copy. Photo copies are not accepted.
