Customer Reviews

The incredible 60-mile stretch of beach from Little River to Georgetown (appropriately dubbed the Grand Strand) is a vacationer's mecca. There's so much going on in any given area that, oftentimes, people need not wander beyond a 2-mile radius from their hotel to keep busy all day and night. This guide gives the vacationer a true insiders' view of the Grand Strand from the perspective of those who live, work and play there. The handy guide is a cornucopia of information about shops, restaurants, nightlife, annual events, entertainment, attractions, "kids' stuff", and much more! Perfect for day trips, weekends, summer vacations, or anyone just "passing through" with some hours to spend! -- Midwest Book Review --This text refers to an out of print or unavailable edition of this title.

I just finished reading this travel guide to Myrtle Beach and I am definitely primed to go now! The book does a great job of being truthful and honest about the lodgings, prices of the restaurants and quality of the cuisines, where the best golf courses are (for the boyfriend), and just how crazy the nightlife can get. I'm staying at Broadway at the Beach, and apparently I am in for a huge party! I absolutely cannot wait and I had to get out my bathing suit and model it after reading the book. I just wish that more pictures had been included so I could see those beaches ahead of time...

I frequently buy travel guide books when going on vacation, however, I found this one disappointing. Although, it was filled with a variety of information, the authors did not share their personal opinions with the reader. I made some bad choices based on the book's content. After our vacation, I felt that had I written to the Welcome Center prior to our trip, I would have been equally satisfied.
