Customer Reviews

This street map has what any good street map has: streets, landmarks, street index, etc. But the paper it is printed on is so fragile that it tears at the slightest provocation. This level of physical quality is appalling and gives new meaning to the phrase "handle with care." Rand McNally should be ashamed of using such cheap paper.

There must be a screw-up with the prices listed: 2 Used from \$3,059.90 1 New from \$6,408.22.

Maybe that delicate paper is gold tissue.
