âœPreschoolers will love this book.â • âœSchool Library JournalâœThe sharp-edged bright blue chassis, lemon-yellow dumper and smiling grill of this hard-working construction vehicle with his cohort of fuel trucks, vans, buses, pickups on heavy stock paper would have made this title a winner in my book. Wait--that's not all! The text can be sung to the nursery favorite, âœI'm a little teapot! Try it!â • âœNickJr.comâœThe titular little dump truck cheerily gives the youngest listeners the lowdown on its duties.â • âœKirkus ReviewsâœA fast storytime favorite.â • âœBooklist

Great book on a little dump truck for a little one who loves books and just turned 3 years old. Great book for a 3 year old who loves books and received a toy dump truck as a gift. We gave him this little book with the truck and he loves the book!

Both my sons agree (age 3 years and 18 months), "The Little Dump Truck" is an awesome book!! We originally found it at our public library and the boys wanted me to read it again and again and again. So when we found out we had to move, I thought this book would be a perfect birthday gift for my son's 3rd birthday that we celebrated recently. He was delighted to open it up and now we can enjoy it anytime we want! I love how it's written in a way you can actually sing to the tune of "I'm a little teacup" ... my boys won't have it any other way (and I really love singing it too). Too cute! Awesome illustrations as well and my boys love all the different trucks on display in the front and back inside cover. They like to name them all. Very cute. Great purchase!

My 2 year old loves this book. Definitely recommend for the truck loving toddlers.

So cute. My great grandson will love this book.

It doesn't thrill me.

My Grandson Noah, love, love, loves this book and has picked out his daddy's UPS truck right away. He loves it so much that after two years he finally needed a new one. He is a book boy and loves his books but definitely has his favorites and this one is on top!

Very cute, enjoyable book for my toddler son. He loves this "Dumpy" book and it's easy enough (and not too much of a tongue-tie) to read in dim light before bed.

My friend's son loved this book!! He loves trucks so I ordered this for his 2nd birthday. He read it twice as soon as I gave it to him. It is a cute story and a fun read.
