What If You Had Animal Eyes?

Synopsis

What if you woke up one morning and your eyes weren't yours? *What If You Had Animal Eyes?*--the next imaginative book in the *What If You Had* series--explores what would happen if you looked in the mirror and saw a pair of animal eyes instead of your own! From the chameleon's eyes that can point in different directions, to the colossal squid's eyes that shine in the dark, discover what it would be like if you had these special eyes--and find out why your eyes are just the right ones for you!

Customer Reviews

If you could have any animal's eyes, whose would you choose? If you chose a chameleon's eyes, you could look in two directions at once. If you had a tarsier's giant eyes, you could see in the dark! And if you had a golden eagle's eyes, you could spot something two miles away. The animal kingdom has tons of amazing eyes, but yours are pretty great, too!
