Annihilation Of Caste: The Annotated Critical Edition

Synopsis

“What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.”

Anand Teltumbde, author of *The Persistence of Caste* B.R. Ambedkar’s *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar “a figure like W.E.B. Du Bois” offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world’s best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in “The Doctor and the Saint,” examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi’s political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar’s emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar’s anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

Book Information

Paperback: 416 pages

Publisher: Verso; Ant Cri edition (February 16, 2016)

Language: English

ISBN-10: 1784783528

ISBN-13: 978-1784783525

Customer Reviews

“Annihilation of Caste has to be read ... No Hindu who prizes his faith above life itself can afford to underrate the importance of this indictment.”

“M.K. Gandhi “What Communist Manifesto is to the capitalist world, Annihilation of Caste is to caste India. Arundhati Roy’s introduction is

expansive and excellent. S. Anandâ€™s annotations have style and perfection.â€•â€•â€•Anand Teltumbde, author of *The Persistence of Caste: The Khairlanji Murders & Indiaâ€™s Hidden Apartheid*â€œFor the 1930s, *Annihilation of Caste* was a case of marvellous writing with conceptual clarity and political understanding â€“ something the world should know about. The annotations illumine the whole book. Royâ€™s essay has the sharp political thrust one has come to expect from her.â€•â€•â€•Uma Chakravarti, author of *Everyday Lives, Everyday Histories: Beyond the Kings and Brahmanas of Ancient India* and *Pandita Ramabai: A Life and a Time* â€œArundhati Royâ€™s *The Doctor and the Saint* manages to convey an intimate and deeply felt sensitivity to the history that produced *Annihilation of Caste*. The annotations do an excellent job of providing supplementary information, corroboration and relevant citations ... A robust edition of an under-appreciated classic.â€•â€•â€•Satish Deshpande, Professor of Sociology, Delhi Universityâ€œS. Anandâ€™s annotations are very thorough and on the whole based on first-rate and current scholarship on South Asia and elsewhere ... Arundhati Royâ€™s essay is punchy, eye-opening and provocative ... There is very little left of the saintly stature of the Mahatma once Roy is done with him, while Ambedkar, quite rightly, is left standing as the man in full control of his senses and his very considerable intellect.â€•â€•â€•Thomas Blom Hansen, Director, Stanfordâ€™s Center for South Asiaâ€œThis annotated edition of *Annihilation of Caste* was long overdue ... The copious footnotes give the reader a sense of direction and all the additional information needed for making sense of the text â€“ including the translation of the Sanskrit shlokas Ambedkar used to document his analysis. This edition is truly a remarkable achievement.â€•â€•â€•Christophe Jaffrelot, author of *Dr Ambedkar and Untouchability: Analysing and Fighting Caste*â€œThose who have read *Annihilation of Caste* many times before will still read this work for the sake of the annotations and reference-based clarifications of Ambedkarâ€™s thoughts. This edition will foster a more critical engagement among readers.â€•â€•â€•Ayyathurai Gajendran, anthropologist

Bhimrao Ramji Ambedkar was born in 1891 into an "Untouchable" family of modest means. One of India's most radical thinkers, he transformed the social and political landscape in the struggle against British colonialism. He was a prolific writer who oversaw the drafting of the Indian Constitution and served as India's first Law Minister. In 1935, he publicly declared that though he was born a Hindu, he would not die as one. Ambedkar eventually embraced Buddhism, a few months before his death in 1956. Arundhati Roy is the author of the Booker Prize-winning novel *The God of Small Things*. Her recent political writings include *Listening to Grasshoppers*, *Broken Republic*, and *Capitalism: A Ghost Story*. S. Anand is the publisher of Navayana, an independent

press in New Delhi. He is the coauthor of Ambedkar: The Fight for Justice, a graphic biography, and has annotated this edition of Annihilation of Caste.

Very effectively revealing insidious side of the Mahatma Giving glimpse on why Depressed Classes are still at such peril after 70 years of Independence

A marginalized figure plus his ground breaking essay that has been ignored by indian political establishment since independence. The hope is that the younger generation will pick up the challenge and make things right. A good analysis of the caste system and the challenge it posed to M Gandhi

This is a must for anybody interested in Indian independence or Hinduism! Sheds serious light on Gandhi too!!!

Fantastic book, beautiful packing and very prompt delivery.

Worth reading, for the history of India.

Ms Roy gives a good context of the politics and social situation. Political saints are never what the masses believe them to be.

Caste and untouchability basic education for every human in the world. A must read for all times in beautiful English !

A must read. Still timely.
