A thoughtful meditation on Psalm 46 by one of New Thought's greatest leaders. Fox's style is down-to-earth but compelling. A short, easy and uplifting read.

I tell everyone I can about how wonderful I think Emmet Fox is. The Sermon on the Mount is something that is absolutely GOLDEN! And Be Still is a chip off that same block. I am SO glad I found these books. I will check out more of his writing as soon as I can. I highly recommend these books.

I loved this book. It gave a different thoughtful point of view of Be Still and know I am God. It is certainly worth buying and reading. It is thought provoking, helps you to see and understand more clearly and just takes you to another level spiritually. I love his other book Sermon on the Mount as

well. Emmet Fox is wise in his metaphysical spiritual understanding and helps you see the scripture with new eyes not discounting what you know and believe but enforcing that. This is an easy read that is potent.

I have a better understanding of this wonderful psalm which strengthens me. Short, easy read which reaches depths. Thank you.

This book provides a clear and concise understanding of the most important phrases in the Bible. Emmet FOX is truly refreshing.

It may have been a new idea when it was written but it surely has very little new to offer today. One cannot argue with the advice but it is now a bromide.

A moving testimony on Psalm 46. I have every intention of reading this again. His interpretation of the Psalm has made me think more about what is being said, and how I can better align my own thinking when praying.

Inspirational little book. Treatment of God's provision of strength in times of trouble. He still and know He is God!!
