Signature Spaces: The Well-Traveled Interiors Of Paolo Moschino & Philip Vergeylen

Synopsis

This lavishly illustrated volume explores the interior world of Paolo Moschino and Philip Vergeylen, the talented duo behind the award-winning design studio Paolo Moschino for Nicholas Haslam Limited. Acknowledged by Architectural Digest as one of the top 100 designers in the world, Moschino and Vergeylen not only create inspiring home environments for elite clients, but also design their own line of furniture, lighting, fabrics, and accessories. The process by which their varied sources of inspiration translate into material form is explored in detail in Signature Spaces. The book takes you on a visual journey through Moschino and Vergeylen's world. Illustrated with hundreds of stunning photographs and drawings, the book reveals projects from all over the world, together with pictures of people and places that continue to be a source of inspiration for them on their continuous search for beauty. .

Customer Reviews

"In Signature Spaces: Well-Traveled Interiors by Paolo Moschino and Philip Vergeylen, the London-based design team has assembled a charmed wish book of inspirational quotes, with portraits of style-makers and a hit parade of exceptional decorating." (Elle Decor)"Regardless of which carefully curated furnishings end up in their projects, the owners of London-based firm Paolo Moschino for Nicholas Haslam Ltd. know one thing for sure: Each home, whether a city apartment or an idyllic country retreat, should be packed with personality." (ArchitecturalDigest.com)"Stunning photography captures the heart of the work of famed European designers Paolo Moschino and

Philip Vergeylen. This hefty volume may give you a sensory overload since it's filled with page after page of lush, elegant interiors the two men have designed through their AD 100 firm." (Houston Chronicle)

Born and raised in Italy, Paolo Moschino studied social science in Florence. It was after university that he came to London. Moschino bought Nicholas Haslam Ltd. in 1995 and has grown the company into one of the most prominent names in the design world. Born and raised in Belgium, Philip Vergeylen studied Commercial Management Engineering in Brussels. He lived in New York, Washington, DC, Amsterdam, and Frankfurt before settling in London. In a radical career change, Vergeylen joined Nicholas Haslam Ltd. six years ago, where he now heads up the Interior Design Studio. Founding editor, in 1981, of *The World of Interiors* magazine, Minn Hogg continued to be its editor-in-chief for the next twenty years. Simon Upton is a photographer with more than 25 years of published work to his credit. *Â*

It is a picture book - with many of the rooms repeated throughout the book but styled differently. What a shame as I like Paolo Moschino's style. I would have preferred more text describing his style, and describing the rooms, fabrics, furnishings used to decorate them. I would even like a brief of who his resources that he goes to are. What a disappointment.

A very nice book of handsome interiors.

What a terrible disappointment. Would have been so nice for commentary or -- God forbid -- even picture captions!!! Feel like these two boys really took advantage of me as a reader and collector of design monographs. Don't know who blondie is but really reserve my disappointment for Paolo. Do NOT buy this book. It is a money grab.

I love it! The best decorating book this year! I love it so much I have bought 4 additional copies as gifts for friends!!!

Fabulous.....a must have!! Great book!!!

Gorgeous and Stunning imagery. A must have
