# First Son And President: A Story About John Quincy Adams (Creative Minds Biography)

## Synopsis

America's sixth president and son of America's second president, John Quincy Adams lived an extraordinary life. Beginning as a young boy as secretary for his father during the peace talks that ended the Revolutionary War, Adams served his country as a diplomat, state senator, secretary of state, the president, and as a representative in congress. Through his many speeches, essays, books, and written reports, Adams helped shape America. Today, he is remembered as a great statesman, a scholar, and a poet, just as he hoped he would be.

## Customer Reviews

Beverly Gherman has written biographies about authors, dancers, presidents, scientists, and artists. Her engaging child-accessible style has won her many fans and many awards, including a California Library Beatty Award, a Booklist Editor's Choice, an SCBWI Golden Kite Honor, a Smithsonian Notable Book, and an Oppenheimer Toy Portfolio Gold Award. Beverly lives in San Francisco.No Bio

Informative book about a president few people give a second thought to. He wasn't very popular, just like his father, but they both gave a life of service to their country. I think many people who know little about this president will be surprised to learn at what an early age he started his political career. I recommend if you are studying and learning about the presidents that you read this.
