“Curated excerpts from Rae Dunn's gorgeous sketchbooks make an intimate souvenir for armchair travel voyeurs. Bon voyage!” •UPPERCASE magazine

Rae Dunn is an artist, author, ceramicist, and world traveler. She lives in the San Francisco Bay Area.

Rae Dunn is a wonderful artist, her keen eye for the fun in everyday life is evident in all of her work (if you are unfamiliar with her, check out her beautiful ceramic work). This collection of water color images of France is inspiring and really captures the charm of France. It's a great book if you do watercolor, sketch journaling or a Franco-phile.

If I could frame every one of Rae Dunn's drawings and put them around my house, I'd be happy every single day!

Adore Rae's paintings! Adore this book!
