Cars Of Cuba 2017: 16-Month Calendar September 2016 Through December 2017

Synopsis

Thanks to its decades of trade embargo, Cuba is an automotive time capsule with a unique and insular car culture. Instead of the latest and greatest machines you might see elsewhere, pre-1960 classics are a ubiquitous sight here -- lovingly and creatively restored, maintained, and customized. This calendar presents 16 months of these eye-catching vintage models, captured on the island by award-winning travel photographer and Cuba expert Christopher P. Baker.

Customer Reviews

The subject of this calendar has always interested me. These people have done without so much for so long yet they make do with what they have. It is amazing how they take such pride in their automobiles. Americans should take lessons.

Beautifully crafted calendar--one can take a nostalgic trip into Pre Castro Cuba just by looking at the gorgeous color photos of vintage American cars--heartbreaking, the ancient, glossy machines juxtaposed against everyday-now Cuban locales. Review by: Maria Ponce de Leon

January 3rd, I suddenly realized I hadn't received a calendar for Christmas, for the first time in years. A quick look on found this, one of the lowest cost calendars. It's of cars, which I love, and should have an interesting twist. It's big, has thick pages, and provides a bit of history into the unusual world of Cuban cars every month.

Loved that this runs for 16 months, great pictures and made a perfect September gift, as that's when it starts !

This was a gift. The photos are nice.

Nice large calender. Plenty of room for writing a schedule and appointments.

good.

Informative.
