Customer Reviews

It's just like the first book.

Nice coin album, clear sleeve inserts allow view of both obverse and reverse of each coin. There are 3 spaces for each minting of each coin.

Somewhat expensive, but I like them best.

couldn't get this at my regular coin shop

This is the only album at time of purchase that works for new unc S qs. For first couple of years used proof.

Very good and easy to use!

I got the coin book and I love it
