Customer Reviews

Not the best out there. It's the typical self-taught language lessons with audio CDs and booklets. I felt it didn't really help me.

Very pleased as I am very much a novice. Would recommend this as quite easy to follow.

Our French program bought a lot of these for the kids whose ages range from 6 to 12 years old. Some of them use them so much that the covers are already worn out. They all seem so happy to have this vocabulary book.

This was a bit of an help in my journey towards learning French along with other books.

Great!! Good response time. Will recommend!

good

very good for the kids starting French.

Great book for beginners that are starting from zero. I highly recommend it.
