Everything's An Argument With Readings

Synopsis

Pairing a best-selling argument text with a thematic reader, *Everything's an Argument with Readings* teaches students to analyze the arguments that surround them every day and to create their own. The book starts with proven instructional content by composition luminaries Andrea Lunsford and John Ruszkiewicz, covering five core types of arguments. Revised based on feedback from its large and devoted community of users, the seventh edition offers a new chapter on multimedia argument and more than 35 readings across perspectives and genres, from academic essays and newspaper editorials to tweets and infographics. Combine the text with LaunchPad for *Everything's an Argument with Readings* for even more engaging content and new ways to get the most out of your course. Access unique, book-specific materials in a fully customizable online course space; then adapt, assign, and integrate our resources with yours. This LaunchPad includes: Interactive exercises and tutorials for reading, writing, and research LearningCurve adaptive, game-like practice that helps students focus on the topics where they need the most help, such as fallacies, claims, evidence, and other key elements of argument Reading comprehension quizzes *Everything's an Argument* is also available in a brief version without the reader.

Customer Reviews

For what it's worth, it is just a typical decent textbook. Readers who are experienced with argumentation in any way will probably struggle through this and find it repetitive.

Got it for a college class.

The book was a little damaged from shipping but it's perfectly fine

perfect for my class

Not a whole lot to say, but this is the book my son needed for college. It showed up on time and as advertised. No issues!!

the book i needed for class and it was in great condition

Exactly what I needed. In great condition.

I read out of this book every week and it is very good, but I would suggest renting it before buying it. Like I said absolutely nothing is wrong with it but you will probably only need it for one class.
