Customer Reviews

I use this to assist veterans in need from homeless to substance abuse assistance.

Jennifer Hammond's compilation is a remarkable accomplishment. Truly a must read for every

Veteran and their families. It is organized perfectly, and easy to navigate. VERY NICE !

This book is so full of really great resources. I will keep buying them to donate to my local VA Hospital.

very good book for vets

I am very impressed with this book that helps veterans locate the resources they need. Jennifer Hammond has assembled a great resource in ONE BOOK that is a terrific place to obtain the information to secure help for many issues from jobs, healthcare, recreation, mental health, education scholarships, etc... Thank you for making this resource available!

Amazing work by Jennifer Hammond. She really did an outstanding job putting this together. It is full of valuable information and is sure to be an outstanding reference for Veterans and their families.

The resources are vague and some redundant so there are not really 100. There are so many resources that are better than those listed in this book.
