Saint Germain's Prophecy For The New Millennium

Synopsis

This is a book about hope. Even though sages and seers of ancient and modern times, such as Nostradamus, Edgar Cayce and Mother Mary, have prophesied world war, pestilence, plague and even planetary cataclysm for the new millennium, Saint Germain comes with a way out. Includes prophecies through 2025.

Customer Reviews

"Terrific--a must read! This exciting blend of astrological, historical and spiritual perspectives is a fantastic guide for navigating the coming era. Elizabeth Clare Prophet and the Masters give us much needed knowledge, strength and spiritual tools to help us move into the new millennium and shape the future we want. Well written, well researched and very empowering."

Elizabeth Clare Prophet (1939-2009) was a pioneer of modern spirituality and an internationally renowned speaker and author. Her books are published in more than 30 languages, and millions of copies have been sold online and in bookstores worldwide. Throughout her lifetime, Mrs. Prophet walked the path of spiritual adeptship, advancing through the universal initiations common to mystics of both East and West. She taught about this path and described her own experiences for the benefit of all who desire to make spiritual progress. Mrs. Prophet has left an extensive library of spiritual teachings from the ascended masters and a thriving, worldwide community of people who study and practice these teachings.

item was exactly like the pictures show, delivery was excellent, and no problem with this seller. I will buy back if I need more of this

Anything about or from St. Germain is nothing less than fabulous and extraordinary.

New Age Hippie "Imagine" stuff. Not worth the paper it's printed on. I'd give it a ZERO if I could.
SAVE YOUR MONEY!!

I bought this book a long time ago and I'm just now getting a request to rate it. Hmm, I read through the book and it really didn't impress me, can't say for sure why.

Love the content of this book. Very inspirational. The writer Elizabeth gives examples of experiences of people who have improved their lifestyle using the power of words.

This book is a great summation of how to use decrees and the power they have. Learning how to decree effectively is the key to saving our world. I have also read St. Germaine's book on Alchemy and The Science of the Spoken Word by Elizabeth Clare Prophet. They have changed my life.

Thank you.

This book was fantastic because it goes into a deeper explanation of karma and the true alchemy that can transmute personal, world and planetary karma. It provides several tools in which to do this including prayers, decrees, mantras, affirmations and even a rosary based upon the scripture of charity. If you truly desire it
