## Customer Reviews

A great little book with just enough information about Dublin travel written by someone who is an expert on Dublin and not someone who had just traveled there I went to the author's website, R U In Ireland for my extensive information on travel in Ireland and its all FREE. What a deal!

This is a great little book to have, wonderfully written and easy to read. The author has an obvious passion for travel and that comes out in every sentence. The website [www.ruinireland.com](http://www.ruinireland.com) is well worth a visit too, lots of articles and travel tips on Ireland.
