Mel Bay's Harmonica Position Chart

Synopsis

The Harmonica Position Chart covers all the basics needed by a harmonica player to play in First, Second and Third Position. For each position in-depth charts and notated examples (using standard music notation and TAB) are provided. This includes: C harmonica note layout chart; C harmonica note layout chart with bends; the natural scale available in that position with and without bends; the chords of that position s key; the chords used for blues in that position; 12 bar blues chart with root notes of the chords for that position; blues scale and band/harmonica reference key for that position. A very handy quick reference of the theory information needed to play in positions.

Customer Reviews

David Barrett is the world's most published author of the blues harmonica. Having played saxophone and trumpet for many years David already had a solid musical platform when he started to play the harmonica at age fourteen. By age sixteen he was already playing blues jam sessions and harmonica shows in the California bay area. By age eighteen he was studying music theory in college and started teaching harmonica at local music institutes. By age twenty he released his first book, Building Harmonica Technique, with Mel Bay Publications. While finishing his degree in music he had the opportunity to take over a local music store that helped spur the beginning of the Harmonica Masterclass Workshop. David now runs the Harmonica Masterclass Company full time, bringing lesson books, lesson videos, private instruction, and workshops to players all around the world. David has worked and played with Charlie Musselwhite, Mark Hummel, Lee Oskar, Rod

Piazza, James Harman, Gary Smith, Andy Just, Mark Ford, Billy Boy Arnold, Rick Estrin, Paul deLay, Jerry Portnoy, Gary Primich, Howard Levy, Magic Dick, Tom Ball, Annie Raines, Paul Oscher, Phil Wiggins, and Brendan Power. He now fronts his own band featuring John Garcia on guitar and vocals. David is the owner of the Harmonica Masterclass Company, that specializes in harmonica products and workshops for blues harmonica. His last workshop had twenty-six states and eight countries represented in attendance. Through his numerous instructional books and videos, David is revolutionizing the way the harmonica is taught.
