Keyboard Musical Instruments In The Museum Of Fine Arts, Boston

Synopsis

This major publication presents the extraordinary collection of keyboard musical instruments in the MFA. Fifty-three instruments are examined in detail, placed in historical context, and illustrated with photographs and specially prepared schematic drawings. With its extensive technical information and fascinating biographical, art historical, and musicological essays, this is an indispensable reference for anyone interested in the art of the keyboard instrument.

Customer Reviews

"[A] highly specialized catalogue, a model of its kind." -- Choice

Excellent book, evrything ok except for the b&w photos, I was expecting more color photos. Except of this, I really like this book, you can't miss it.
