Customer Reviews

"The approach is very well thought-out. The book begins with the basics, that students want and need - writing letters, reading comprehension, necessary vocabulary, culture and even cultural differences, such as the differences between France and Quebec. I couldn't ask for a better business French textbook." "It's very clear and packed with information."

R.-J. Berg is a professor at Bowling Green State University and is the author of several books. Dr. Heather McCoy is the program director for French and Francophone Studies at Penn State University.
