Customer Reviews

This book was really good. I especially enjoyed the history of James Deans car. That car was aptly named Little B*****. His friends felt it was evil, and one friend told him that he would die in that car, in a week.....

Shortened fact filled stories of police involved with incidences of paranormal. I do wish more had been included. It read like a monologue. But it was still quite interesting.

This was a great short read book! I am a big fan of the true police stories anyway and this book is up there on my list! I will definitely be watching for more of William Myron Price's books!

Okay

I was hoping for some real interesting/exciting stories here. Can't say that happened. Not worth the money spent..

Found this book so interesting! A lot of my family are police officers and I've heard some crazy stories from them but these are OFF the chart. If you want bizarre you'll enjoy it.

Very tightly written but very engaging. I will probably look for his other books. Excellent stories.

Pretty interesting read
