Customer Reviews

I was surprised at the detail and character development in this short story. When all the guest at a party find themselves being suspects of a murder. Each person has a motive for murder. The who and why left me saying I didn't see that coming. That in its self speaks of Staffans ability to draw the reader in. I know this review is short but I don't want to spoil this book. If you enjoy murder mystery you have to read this book. I will be looking for more books from the author
